The Movie Guide Experience

Kaleidescape's exclusive Movie Guide service and easy-to-use on-screen display enables you to enjoy your DVD collection in new and exciting ways. Our high-resolution cover art, original synopses and extensive production credits can help you to quickly find exactly what you are looking for. If you can't decide on a particular DVD, then our cover shuffle can even recommend a title from your own library. There will be nothing left for you to do but sit back and enjoy the show.

Organize Your Entertainment

As your library grows, finding the perfect title for any occasion becomes challenging. Kaleidescape has solved this problem by allowing you to create unlimited personalized collections of your favorite titles.

View Favorite Scenes

The Kaleidescape System also offers the unique ability to create your very own collection of favorite scenes. If you don't have the time to create your own, we've done it for you in two collections. We have more than 80 carefully chosen favorite scenes for the Academy Award Winners™—Best Picture and Family Collections. Visit our website at: www.kaleidescape.com/support/doc.html to obtain the Favorite Scene Files.
