HomeWorks® | international seeTouch™ keypads

international seeTouch™ keypads for HomeWorks®

easy to locate, read, and operate day or night

The proven reliability, popular aesthetics and convenient features of our seeTouch keypads, are now available in a square design preferred in many geographic markets. Enjoy a new level of one-touch control of lights and shades—and nearly anything else—throughout the home.

Key Features

- Buttons have backlighting so the control can be easily found and used in a dark room
- Many configurations, colours and finishes to complement luxury homes
- Custom programming and engraving personalizes every control
- Infrared receiver option allows control from remote controls
- (2) Contact closure inputs for connection to motion detectors and door sensors, etc.
